<p>Revised Development Plan Scheme now published. This provides information on the stages the LDP3 will be going through their timescales, and how consultations will be sent out. This tells us that it is anticipated that adopted LDP3 will be published in June 2029.</p> <p>A copy will be circulated before the April PCC meeting. Topic papers on Soilsy; forestry; woodland and trees; historic assets and places; sustainable transport; rural themes; city, town, commercial land centres, have been issued for responses by 25/04/2025. How community groups and members of the public are supposed to respond to these documents is not at all clear!!</p>
